Dear **Sisinti Lokanatha Patro**,

Greetings from CHIRO HEALTHCARE LLP...!

This is with reference to your resignation, we would like to acknowledge the few facts and events that have transpired during our journey.

As you are fully aware, our intention was to establish the **TAIYO LABS** business in Rayagada independently. To fulfil the same, TAIYO LABS Management Team visited Rayagada, finalized a few locations and even signed an agreement with Mr. Sri Hari Garu. In fact, you were one of the witnesses to this process.

Subsequently, You and Dr. KC Patra Garu approached us, expressing your interest in being part of this business venture in Rayagada and You are committed to contributing to the business's growth through Marketing, Administration, Clinics and CC Points establishment in a bigger way.

As we trusted you and your judgment, we proceeded with your suggestions without further inquiry, hesitations or any delays, we terminated the agreement with Mr. Sri Hari and accepted the premises you recommended.

However, we've encountered several issues like the building lacks parking facilities, necessary legal documents, including occupancy certificates from municipal authorities. We've received multiple legal notices from authorities and traffic police. The building's future is uncertain. We've also faced challenges with the pathologist's appointment, salary and referral amounts. Establishing CC points and Clinics in Rayagada hasn't materialized as per our discussions. Most concerning is the damage to our TAIYO LABS organization's Reputation and Brand Image due to your unprofessional behaviour towards our female staff.

Payments to vendors, pathologists, building owners, CC points remain unresolved. Furthermore, we've received legal notices and a police complaint from the building owner and Dr. Sri Harsha (former pathologist) for the non-payments.

In summary, the issues mentioned have had **significant** and **unexceptionable repercussions** on the **TAIYO LABS** image. **Thus, emphasizing the need of an internal/external professional AUDIT to be conducted** to validate the above concerns, payments and other necessary aspects.

Until then, your **RESIGNATION** has **NOT** been **ACCEPTED**. We request your cooperation in this audit process. Once the audit is completed, we'll review the findings and work on to resolve issues and relieve you from the partnership as soon as possible.

Thank You for your understanding, cooperation and patience.
