Dear Dr. Vamsi Sir,

Warm greetings to you.

I hope this message finds you in good health and high spirits. I am writing to follow up regarding the status of the internal/external audit you had proposed, and also to clarify a few critical matters concerning my role and resignation from **Chiro Healthcare LLP and Jivaakaw Sri Healthcare**.

Although my resignation dated March 12th, 2025 has not been officially accepted, I feel it is my duty to now formally notify all relevant authorities of my disassociation from **Chiro Healthcare LLP and Jivaakaw Sri Healthcare**, so that going forward, any legal or operational responsibilities may rightly rest with the current and continuing management.

1. My Past Role and Official Responsibilities

During my tenure, I was actively involved in various official procedures — including signing documents for drug licenses, clinical registrations, rental agreements, and other legal certifications necessary for the functioning of the **Chiro Healthcare LLP and Jivaakaw Sri Healthcare**. Many of these documents still bear my name and signature.

2. Post-Resignation Non-Involvement

Since submitting my resignation on **March 12th 2025**, I have not been involved in any business decisions, financial transactions, or operational activities. I have not drawn any profit nor borne any losses since that point.

However, I've observed that legal issues such as rent-related notices and a police complaint from Dr. Harsha are emerging — and since my name is still associated with certain documents, there is risk of being unfairly implicated.

Hence, I request your support in **officially informing authorities** such as:

- CDMO and Drug Licensing Office
- Rent/Property Owner
- Any other regulatory or compliance body

3. Audit & Dues

As mentioned in your earlier communication, I am more than willing to **fully cooperate with the audit process** to help validate all aspects professionally. I look forward to your timeline and next steps on this.

Additionally, I would appreciate it if my **share or dues could be settled at the earliest**, as I am currently in the process of helping my son set up an institution after his resignation — and the financial support will be crucial in this regard.

I remain committed to ensuring a smooth, transparent, and respectful closure from my side and look forward to your kind response soon.

Thanks N Regards,
Sisinti Lokanatha Patro
